

# Toyota VEHICLE DIAGNOSTIC REPORT

## Vehicle Information

--/Toyota/Corolla/--  
VIN: AHTBF8JE801025399

Odometer Reading: 79040km  
License Plate: MT22GDGP

## Customer Information

Name: MFC NEDBANK

Tel: 0118799321

## Device Information

Scanner: MaxiSys MS906 BT  
Version: V11.80

Serial Number: VB8GJCC01509  
Repair Order Number: --

## System Scanned ( 12 )

| System               | Status/DTC                                                                                                                                                                  |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Engine and ECT       |  1                                                                                       |
| ABS/VSC/TRC          |  2                                                                                       |
| SRS airbag           |  0                                                                                       |
| Combination meter    |  0                                                                                       |
| Main body            |  0                                                                                     |
| Driver door motor    |  0                                                                                     |
| Air conditioner      |  0                                                                                     |
| Starting control     |  0                                                                                     |
| Power source control |  0                                                                                     |
| Smart key            |  0                                                                                     |
| EMPS                 |  0                                                                                     |
| Radar cruise 1       |   0 |
